  - Unions
  - Employers
  - Voivode (representative of the State administration in the region)

- NGOs

- Self-governments:
  - Regional
  - Poviat
  - Gmina

- State
Social dialogue – main entities

Partners of social dialogue are the following: self-governing bodies, professional self-governing bodies, trade unions, employers’ organizations and other social organizations. Their rights and obligations as well as position and role in the dialogue are specified by separate actions.

In Poland there is no single formal definition of social dialogue.

| TRIPARTITE COMMISSION FOR SOCIO-ECONOMIC ISSUES | • unions side, representing the interests of workers; united in the organizations operating at all levels of social dialogue; • employers side, representing employers; united in the organizations operating at all levels of social dialogue; • state side, the body representing the interests of the state, consisting of representatives of the executive power. |
| VOIVODESHIP COMMISSIONS OF SOCIAL DIALOGUE (WKDS) | • play the role of a forum for social dialogue undertaken to align the interests of employees, employers and public goods at the level of voivodeships. The main representatives of: voivode, trade unions, employers, Marshal of Voivodeship; a possibility of inviting representatives of non-governmental organizations. |
| REGIONAL LEVEL | • social partners representing the industry/sector and representatives of the state administration responsible for the problems in the industry/sector (14 units). |
| TRIPARTITE BRANCH UNITS | • Central Employment Council • Voivodeship Employment Councils (16) • Poviat Employment Councils |
| STATE LEVEL | • In the Council’s tasks include, in particular: 1. initiation of undertakings aimed at the professional and social integration of people with disabilities, realization of the rights of persons with disabilities; 2. review of the draft regional action programmes for persons with disabilities; 3. evaluation of the implementation of the programmes; 4. assessment of draft decisions and programmes approved by the regional Council to assess their consequences for people with disabilities. |
| VOIVODE and POVIAT SOCIAL COUNCILS ON THE DISABLED ISSUES | • Council of Activity of the Public Benefit • Social dialogue organizations • Partnerships in labour market and education area |
| REGIONAL/POVIAT LEVEL | NGO/social dialogue institutions / partnership institutions |
The labour market policy implemented by the public authorities is based on dialogue and cooperation with social partners.

The labour market institutions implementing the tasks determined in the Act on employment promotion and labour market institutions include:

<table>
